First Street Methodist Mission

[801 W 1st St, Fort Worth, TX 76102](https://www.firststreetmission.org/)

The First Street Methodist Mission is remaining open. If any of our members need food, they can go on a **Wednesday** or **Thursday** between **10am and 1pm**. If they are at least 18 they can go on their own. Otherwise, a parent will need to go. They will need to take an ID. As long as they meet the poverty guidelines, which most if not all of our members do, then they qualify. They will only be able to get groceries **once a month** but it is a significant amount. Let me know if you would like additional information.

Arlington ISD

The health and welfare of Arlington ISD students is a primary concern, and the district has taken measures to make sure all students will be fed during the school closure due to COVID-19.

Beginning Monday, March 16, the Arlington ISD will operate 23 distribution locations to accommodate students who need meals. Each weekday during the closure children 18 years of age and younger will be provided one packaged lunch meal and one light breakfast meal for the following morning.

“We know these are extraordinary times for everyone,” Arlington ISD Superintendent Dr. Marcelo Cavazos said. “Making sure our students have healthy food options is vital to everyone involved. It is a tremendous undertaking, but it’s necessary as the well-being of our students has been and always will be our No. 1 concern.”

Student Meal Plan Information:

- Meals can be picked up daily from 11 a.m. until 1 p.m. at every site
- Children must be present to receive meals
- Meals are packaged to take home as schools are closed
- No student ID or other form of identification is required
- Arlington ISD Food and Nutrition Service personnel will be distributing the meals.

One entrée will be offered for each meal. There will also be a non-meat option. Menus will be posted online daily on the District’s [Facebook](#) page and the Arlington ISD [Coronavirus](#) website under Student Meal Plan.
