

**COVID-19 Update Parent Communication**  
**Re: Executive Order\_Children wearing Masks**  
**June 26, 2020**

Dear Parents,

Effective Friday, June 26 at 6:00 pm by Executive Order of County Judge Glen Whitley, all employees or visitors must wear a mask or face covering when in an area performing an activity which will involve close contact or proximity to co-workers or the public. **Beginning Monday, June 29, in accordance with this order, and the additional guidance regarding children wearing masks, all Club members are required to wear a mask or face covering over the mouth and nose at all times while participating in BCGTC programs and activities.**

Each child should arrive at the Club wearing their mask before entering the facility. All children should be reminded to keep up with their own mask each day, and that sharing of masks is not allowed. In the event that a child's mask is lost or damaged while at the Club, a disposable mask will be provided to wear for the remainder of the day. It will be the responsibility of the parent to provide the child/children a new mask before returning to programming the next day.

We will keep you informed with new updates and/or any changes. Daily programming will continue as scheduled, and will follow the rigor of our health and safety protocols which include mandatory temperature checks for all staff and children, all staff wearing proper masks/face coverings, socially distanced activities, and regular cleaning and disinfecting of all facilities. Each night, a

professional, deep clean of the entire building is completed to ensure that branch facilities are safe to reopen.

If you have any questions, please contact us directly at [branchinfo@bcgctc.org](mailto:branchinfo@bcgctc.org) or 817-720-9372. Thank you for understanding, and partnering with us to keep all of the kids and families that we serve safe.

Regards,

Shon Dorsey  
Senior Vice President of Branches  
Boys & Girls Clubs of Greater Tarrant County
